

## Conference Guide

As informed, ICSAE-7 will be held by online due to current Covid-19 pandemic circumstances. There are two different sessions in this conference, namely paralel session and general assembly.

Considering time constraints and to avoid various technical problems (such as lagging internet connection, different time zone, etc) during the conference, the parallel session is performed with the assist of presentation media in digital venue. The parallel session can be accessed through conference website (<https://icsae.id>), all the digital format of paper presentations (recorded video and poster) are listed and opened to all participants. Furthermore, during the the generall assembly, invited speakers talk will be performed through live meeting. Both stages can be enjoyed by all participants which are listed and/or invited with the following time frame:

- 1. Parallel session in digital venue : August 25-27, 2020**
- 2. General assembly : August 27, 2020**
